ROUTE DESCRIPTION

From the car park, head left to Old Blair, going left at the crossroads. After crossing the burn turn right on the waymarked path with the burn on your right. The first part of the route is the territory of the roe deer. Climbing higher, closer to the moorland, you enter the domain of the red deer, with winter and spring being the best times to catch a glimpse of this majestic species. As the route progresses, views south to the dramatic Pass of Killiecrankie and distant peak of Ben Vrackie fill the scene. There is also an option to make a detour to the Falls of Bruar, a breathtaking woodland gorge with a series of spectacular waterfalls.
