DO THE RIDE THING

We love riding this route and to keep our good relationship with local landowners and other path users we ask you to follow the advice below:

- Let other path users know you are coming as early as possible.
- Please watch your speed especially on blind corners and dips.
- Please take extra care near wildlife and leave the environment as you find it.
- Help land managers and others to work safely and effectively. See 'Route Specifics'.
- The route description and quality of path may change over time so please remain flexible with your plans and be ready to use alternative routes.
- Check the weather forecast and ensure you have all the equipment you need for your route.
- If you are in any doubt please pop into one of our cycle centres for advice!
